FOLD									FOLD
	SEAT BELTS	AUTO THROTTLE	ENG 1 FUEL VALVE	ENG 2 FUEL VALVE	WINC ANTI-I		ng 1 Iti-ice	ENG 2 ANTI-ICE	

For my Zibo 737, FF 757 and EADT x737 Profiles.

There's no need to fix these in place, gravity seems to do a great job The above can be used as a one piece solution, as per @Hilversum4's suggestion with a slight fold to position the nav strip under the buttons
